SUBJECT: A Report on Trails

Recently, some members of the Board have expressed interest in trails and the status of the 1991 *Washington State Trails Plan*. Staff has been exploring IAC's role in trails, including the question of whether to revise or redevelop the 1991 *Trails Plan*. At the July meeting, staff will report on recreational trails in the context of state law, the 1991 State Trails Plan, and Priorities of Government (POG).
