

Agenda Item: Review and Discuss Forum's Role and Operations Structure

Presentation by: Chair Wilkerson

Problem/Issue Statement

At the May 14, 2008 meeting, the Forum broadly discussed its role as a policy body, and its relationship to other federal, tribal, state, and local agencies -many with similar or overlapping interests as the Forum's.

Methods/Solutions Proposed

Chair Wilkerson will share with the Forum his impressions and current thoughts about the Forum following a round of meetings and discussions he has had with a number of agency directors.
