

WWRP Urban Wildlife Habitat Category Funding Allocation
Adopted by the Recreation and Conservation Funding Board (RCFB)
October 26, 2016 (Item 5C) (Olympia, WA)
Resolution #2016-36

To increase the number of awards to local agencies for urban wildlife habitat, grants will be awarded as follows:

- 40% local agencies including Native American tribes and non-profit organizations
- 40% state agencies
- 20% fully fund partially funded local agency, Native American tribes, and non-profit organization projects, then fully fund partially funded state agency projects, and finally apply any remaining funds to the next highest ranked project(s), regardless of sponsor. Funds remaining, due to an insufficient number of applications by either local agency, Native American tribes, and non-profit organization or state agency sponsors, will be awarded to the next highest ranked project(s) regardless of sponsor.
