

The Successful Application Workshop for folks awarded a grant from the Salmon Recovery Funding Board is online this year. RCO has posted a [PowerPoint® presentation](#).

The presentation includes sound, so you can view and listen at your leisure. Look for an announcement with a link to the information.

Training Highlights

- Fundamentals of the project agreement
- Terms and conditions
- Resources and information for managing your grant
- Permitting and cultural resources information
- Billing documentation requirements: How it affects you
- Overview of PRISM
- [Getting paid: Reimbursement information](#)
- [Grant manuals by number](#)
- [Grant requirements](#)

Starting a New Proposal for a Salmon Grant?

Here are some resources to help you in the application process:

- [Manual 18, Salmon Recovery Grants](#)
- All [application materials](#)
- Applications must be submitted through PRISM, the RCO project database. New this year is [PRISM Online](#)

Application Presentation: For those of you who want to learn more about applying for a Salmon Recovery Funding Board grant, we highly recommend that you view this online presentation of the Application Workshop. The workshop is a [PowerPoint® presentation](#) tailored to the application process and covers the following topics:

- Project eligibility
- Grant and application requirements
- Application process
- Project expectations and deliverables
- Technical assistance
- [NEW PRISM Online](#) (Web-based application)
- Resources and information
