Prepared By: Lorinda Anderson

Approved by the Director: *LES*

Presented By: Consent Calendar

Proposed Action: Decision

Summary:

Four volunteers are ending their terms of service on two advisory committees. In keeping with current practice, staff is presenting to the Board resolutions to acknowledge and thank the volunteers for their service.

Staff Recommendation: Approve IAC Board recognition resolutions.

Background:

The Interagency Committee for Outdoor Recreation relies on volunteers in administering its grant programs. Volunteers provide a strategic balance and perspective on program issues and they assist with the development of program policies. The following individuals have recently completed their terms of service or have otherwise bid farewell after providing valuable analysis and excellent program advice. We applaud their outstanding service and recommend approval of the attached resolutions.

Firearms and Archery Range Recreation Program Advisory Committee		
• Frank Abersfeller	Shotgun Sports	5 years
• Jim Reddick	Rifle Sports	5 years
• Rick Thrasher	Law Enforcement	5 years
Land and Water Conservation Fund Program Advisory Committee		
• Nancy Craig	Local Government	6 years

Together, these members have contributed over 20 years of experience, perspective, and knowledge of their recreational activities and pursuits. Collectively they have helped shape program policies that guide grants administration and ultimately the selection of projects. Outdoor recreationists in Washington will enjoy the results of their hard work and vision for years to come.
