Firearms and Archery Range Recreation Project Summaries (In Rank Order)

Issaquah Sportsmen's Club

Grant Requested: \$54,964

Reducing Noise Leaving the Range

The Issaquah Sportsmen's Club will use this grant to install sound abatement materials to the inside of its shooting shed to reduce noise leaving the range. The outdoor shooting and archery range sits on 5.73 acres surrounded by schools, houses, and hiking trails. The club will contribute \$27,073. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-2101)

Cascade Field and Stream Club

Grant Requested: \$29,498

Making the Hayward Hill Range Safer and Less Noisy

The Cascade Field and Stream Club will use this grant to add safety and noise abatement structures at its range, which is on Hayward Road in central Kittitas County. Development will include the addition of berms, baffles, noise abatement materials and structures, covered shooting stations, containment walls, and accessible pathways. The range is the only one in Kittitas County that provides a variety of target shooting opportunities in a safe environment. Originally organized in the early 1930s, the club provides a venue for people to enjoy the shooting sports, archery, and hunter education and safety training, and to learn about hunting and fishing opportunities and environmental, preservation, and conservation initiatives. The Cascade Field and Stream Club will contribute \$18,752 in cash and donations of equipment and labor. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-2134)

Cowlitz Game and Anglers

Grant Requested: \$68,985

Expanding the Cowlitz Range Shooting Structures

The Cowlitz Game & Anglers, will use this grant to build a shed for shooting rifles and pistols and reconfigure another shed to accommodate rifles. The Cowlitz Public Shooting Range, which is on Toutle Park Road in Castle Rock, is the only public shooting range in the county. Its current facilities often are full and cannot meet the need for the number of users expected in the future. The club will build a covered, 100-yard shed that will accommodate 20 pistol and 6 small bore rifle shooting stations, and reconfigure the existing 300-yard shooting shed from one used for pistol and rifle shooting to one that can accommodate 20 big bore rifles. Cowlitz Game and Anglers will contribute \$68,985 in cash and donations of equipment, labor, and materials. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-2126)

Whatcom County

Grant Requested: \$144,900

Replacing the Plantation Indoor Range Ventilation System

The Whatcom County Parks & Recreation Department will use this grant to replace the Plantation Rifle Range's indoor ventilation system. The ventilation system was installed more

Firearms and Archery Range Recreation Project Summaries (In Rank Order)

than 30 years ago and has been upgraded several times. It has reached the end of its useful life and has become unreliable with frequent breakdowns. Additional renovations are not practical. The Plantation Rifle Range serves as a focal point for public and law enforcement shooting and training activities for Whatcom and Skagit Counties. More than 23,000 shooters visited the range in 2013. Whatcom County will contribute \$145,000. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-1127)

Walla Walla Gun Club

Grant Requested: \$150,000

Building a Covered Pistol Range in Walla Walla

The Walla Walla Gun Club will use this grant to design and build an covered pistol, small bore rifle, and archery range on Port of Walla Walla property, near the airport. The range will be used by the public, law enforcement, schools, 4-H clubs, and youth organizations for practices and competitions. There are no all-weather practice ranges for law enforcement or the public within driving distance of Walla Walla. The Walla Walla Gun Club will contribute \$151,500 in a private grant and donations of cash, equipment, labor, and materials. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-2011)

Yakima Valley Sportsmen's Association

Grant Requested: \$61,850

Improving the Yakima Valley Trap Range

The Yakima Valley Sportsmen's Association will use this grant to improve its trap range along Pomona Road, north of Selah. The association will replace eight, old and badly cracked, outdoor trap pads with new pads. It also will paint yardage lines and numerals, replace the pathway next to the pads, and create two parking stalls and a pathway from the parking lot to the clubhouse for people with disabilities. The Yakima Valley Sportsmen's Association is a private, non-profit organization established in 1948 to promote safe, responsible participation in shooting sports. The range includes a trap and skeet outdoor range and a small bore rifle and handgun indoor range. The Yakima Valley Sportsmen's Association will contribute \$61,850 in donations of cash and labor. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-1911)

Klickitat County

Grant Requested: \$53,000

Developing the Klickitat County Shooting Range

The Klickitat County Public Works Department will use this grant to build a 50-yard pistol range and a 300-yard rifle range at its shooting range in Dallesport. The shooting area will be covered and bermed with 8-foot, covered baffles to provide "No Blue Skies" shooting stations. The County also will add fencing and berms to the perimeter. The range will provide a place for the public and law enforcement to shoot in a safe location. This is the second phase of development. In the first phase, the County is building a 100-yard range. Klickitat County will

Firearms and Archery Range Recreation Project Summaries (In Rank Order)

contribute \$53,050. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-2027)

Seattle Skeet and Trap Club Expand the Sporting Clays Range

Grant Requested: \$63,000

The Seattle Skeet and Trap Club will use this grant to build eight sporting clay stands in its newly expanded sporting clays course in the King County Shooting Sports Park, just east of Ravensdale. Development includes building covered shooting stand structures and buying clay target throwing machines, long range control devices, solar panels, and batteries. The Seattle Skeet and Trap Club, in eastern King County, will contribute \$64,363. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-1885)

Renton Fish & Game Club Replacing the Clubhouse Roof

Grant Requested: \$31,250

The Renton Fish & Game Club will use this grant to replace the flat roof of its clubhouse with a peak and gable metal roof. The old roof is in extreme need of replacement. The new roof will protect recent clubhouse improvements and improve the appearance and longevity of the clubhouse. The Renton Fish & Game Club will contribute \$31,250 in donations of cash and labor. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-2058)

Gig Harbor Sportsman's Club Replacing Trap Machines

Grant Requested: \$21,000

The Gig Harbor Sportsman's Club will use this grant to buy six trap machines for its range on Burnham Drive, in Gig Harbor. The club's machines range in age from 20 to 40 years old and replacement parts are difficult to get. The club will buy four traps for fields one through four and two traps for the five-stand venue. The club is, among other things, an educational facility, offering both beginning and advanced classes in archery, rifle, pistol, and shotgun, including the safe handling and shooting techniques and an overall exposure to the shooting sports. The new trap machines will allow a smoother shooting experience for users. The Gig Harbor Sportsman's Club will contribute \$21,000. For more information and photographs of this project, visit [RCO's online Project Search](#). (14-2006)
