1. INTRODUCTION

The Salmon Recovery Funding Board (SRFB) was established by the legislature in 1999. Its mission is to support salmon recovery by funding habitat protection and restoration projects, and related programs and activities that produce sustainable and measurable benefits for fish and their habitat. Starting in 2000, the SRFB established policies authorizing the types of projects eligible for funding and an evaluation process for selecting projects. Additionally, for each annual grant cycle it has employed the services of a panel consisting of experts in the fields of salmon recovery and natural resources management and science to advise it on the process for selecting projects to be funded.

1.1 PURPOSE AND BACKGROUND

The administrative office for the SRFB - Washington State Recreation and Conservation Office (AGENCY) - is seeking qualifications and quotations (RFQQ) to create an opportunity for hiring a diverse panel of experts suitable for advising the SRFB on key elements and functions of the 2018-2020 grant cycles. Some members of the panel may be appointed through their affiliation with state or federal government, but the SRFB seeks broad participation including government, business, consultants, non-profit, academic and other sectors. The panel is independent in the sense that team members do not represent an agency or constituency and should not currently be involved professionally or as a volunteer in any lead entity process or a project on a lead entity list.

1.2 OBJECTIVES AND SCOPE OF WORK

The objective of this advertisement for an RFQQ is to obtain general information and cost estimates from individuals having education, training, and experience suitable for advising the SRFB on the matter of selecting salmon habitat protection and restoration projects. **See Exhibit B for Scope of Work.**

The AGENCY will award one or more contracts to CONSULTANTS who submit proposals as a result of this RFQQ.

1.3 MINIMUM QUALIFICATIONS

The CONSULTANT must be licensed to do business in the State of Washington and have:

- At least ten years of experience in one or more of the fields of salmon recovery, natural resources management, watershed management or analysis, fisheries, environmental engineering, habitat, land acquisition, marine nearshore, or environmental affairs.
- A bachelors, masters, or PhD degree in the fields described above.
- A working knowledge of the function, purpose and operation of lead entities and regional organizations, regional salmon recovery planning, and the Salmon Recovery Funding Board.
- Expertise in salmon habitat protection and restoration approaches, watershed processes and strategic planning.
- Familiarity with the watersheds of Washington State.
- The ability to work as a member of a team that may include participation from state and other governmental agencies.

- Effective written and oral communication skills, and ability to present to a board.
- Experience in bridging the gap between science and policy and inclusion of the community and stakeholder interests in policy development and decision-making.
- Knowledge and experience implementing salmon habitat restoration projects, protection, design, permitting, and construction.
- Willingness to travel.
- Demonstrated ability to work with project proponents to provide constructive feedback.
- Understanding of current restoration construction techniques.
- High speed internet access and ability to download large files.

Bidders who do not meet these minimum qualifications will be rejected as non-responsive and will not receive further consideration. Any proposal that is rejected as non-responsive will not be evaluated and no score will be assigned.

1.4 FUNDING

The Consultant shall be compensated for professional services on an hourly basis per the rate schedule provided in the proposal. The hourly rate provided in the proposal shall not be increased before the final end date of the contract. The funding available includes travel costs and will be reimbursed at the current government rates in effect at the time of travel.

Budgets will be established at the time services are required. In the event additional funding becomes available, any contract awarded may be renegotiated to provide for additional related services.

Any contract(s) awarded as a result of this procurement is contingent upon the availability of funding.

1.5 PERIOD OF PERFORMANCE

The period of performance resulting from this RFQQ is scheduled to begin on or about **January 1, 2018** and to end on **December 31, 2020**. Individual task orders will be issued at the time services are needed. The AGENCY reserves the option at its sole discretion to extend the contract for up to two additional one-year periods.

The complaint process is available to CONSULTANTS interested in this solicitation. The complaint process allows CONSULTANTS to focus on the solicitation requirements and evaluation process and raise issues with these processes early enough in the process to allow the RFQQ Coordinator time to correct a problem before proposals are submitted and time expended on evaluations.

A CONSULTANT may submit a complaint based on any of the following:

- The solicitation unnecessarily restricts competition;
- The solicitation evaluation or score process is unfair or flawed; or
- The solicitation requirements are inadequate or insufficient to prepare a response.

CONSULTANTS may submit complaints up to five (5) business days prior to the due date noted in the Estimated Schedule of Procurement Activities. However, CONSULTANTS are encouraged to submit complaints as soon as possible so the issue(s) can be rectified early in the process. Complaints must be submitted to the RFQQ Coordinator. In order to be considered a valid complaint, the complaint must meet the following requirements:

- Must be in writing.
- Must be sent to the procurement coordinator, or designee, in a timely manner.
- Should clearly articulate the basis for the complaint.
- Should include a proposed remedy.

Complaints not received by the deadline noted in the Estimated Schedule of Procurement Activities will not be reviewed.

The RFQQ Coordinator, or an employee delegated by the RFQQ Coordinator, will review valid complaints and respond to the applicant in writing. The response, and any changes to the solicitation, will be posted to WEBS prior to the proposal due date. Any complaint addressed during the complaint process cannot be raised during the protest process.

2.4 SUBMISSION OF PROPOSALS

E-Mail Submittal Only

Consultants are required to submit an electronic copy of their completed proposal to the RFQQ Coordinator, at Patty.Dickason@rco.wa.gov. The proposals must arrive at the RCO office no later than 5:00 P.M. Local Time on **October 30, 2017**.

Proposals may **NOT** be transmitted in hard copy or by using fax transmission.

Consultants should allow sufficient time to ensure timely receipt of the proposals by the RFQQ Coordinator. Late proposals will not be accepted and will be automatically disqualified from further consideration, unless the RCO'S e-mail is found to be at fault. All proposals and any accompanying documentation become the property of the RCO and will not be returned.

2.5 PROPRIETARY INFORMATION/PUBLIC DISCLOSURE

Materials submitted in response to this competitive procurement shall become the property of the AGENCY.

All proposals received shall remain confidential until the contract(s), if any, resulting from this RFQQ is signed by the Director of the AGENCY and the apparent successful Contractor; thereafter, the proposals shall be deemed public records as defined in RCW 42.17.250 to .340, "Public Records."

Any information in the proposal that the CONSULTANT desires to claim as proprietary and exempt from disclosure under the provisions of RCW 42.17.250 to .340 must be clearly designated. The page must be identified and the particular exception from disclosure upon which the CONSULTANT is making the claim. Each page claimed to be exempt from disclosure must be clearly identified by the word "Confidential" printed on the lower right hand corner of the page.

The AGENCY will consider a CONSULTANT'S request for exemption from disclosure; however, the AGENCY will make a decision predicated upon Chapter 42.17 RCW and Chapter 143-06 of the Washington Administrative Code. Marking the entire proposal exempt from disclosure will not be honored. The CONSULTANTS must be reasonable in designating information as confidential. If any information is marked as proprietary in the proposal, such information will not be made available until the affected proposer has been given an opportunity to seek a court injunction against the requested disclosure.

A charge will be made for copying and shipping, as outlined in RCW 42.17.300. No fee shall be charged for inspection of contract files, but twenty-four (24) hours' notice to the RFQQ Coordinator is required. All requests for information should be directed to the RFQQ Coordinator.

2.6 REVISIONS TO THE RFQQ

In the event it becomes necessary to revise any part of this RFQQ, amendment(s) will be provided to all who received the RFQQ through WEBS. It is the responsibility of the applicant to send name, address, e-mail address and phone number to the RFQQ Coordinator in order to receive any RFQQ amendments and/or bidder questions and answers.

The AGENCY also reserves the right to cancel or to reissue the RFQQ in whole or in part, prior to execution of a contract.

2.7 MINORITY & WOMEN-OWNED BUSINESS PARTICIPATION

In accordance with the legislative findings and policies set forth in chapter 39.19 RCW, the state of Washington encourages participation in all of its contracts by firms certified by the Office of Minority and Women's Business Enterprises (OMWBE). Participation may be either on a direct basis in response to this solicitation or on a subcontractor basis. However, no preference will be included in

The evaluation of proposals, no minimum level of MWBE participation shall be required as a condition for receiving an award, and proposals will not be rejected or considered non-responsive on that basis.

The established annual procurement participation goals for MBE is 10% and for WBE, 4%, for this type of project. These goals are voluntary. Bidders may contact OMWBE at 360/753-9693 to obtain information on certified firms.

2.8 ACCEPTANCE PERIOD

Proposals must provide 60 days for acceptance by AGENCY from the due date for receipt of proposals.

2.9 RESPONSIVENESS

All proposals will be reviewed by the RFQQ Coordinator to determine compliance with administrative requirements and instructions specified in this RFQQ. The CONSULTANT is specifically notified that failure to comply with any part of the RFQQ may result in rejection of the proposal as non-responsive.

The AGENCY also reserves the right, however, at its sole discretion to waive minor administrative irregularities.

2.10 MOST FAVORABLE TERMS

The AGENCY reserves the right to make its award(s) without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms, which the CONSULTANT can propose. The AGENCY does reserve the right to contact a CONSULTANT for clarification of its proposal.

The CONSULTANT should be prepared to accept this RFQQ for incorporation into a contract resulting from this RFQQ. Contract negotiations may incorporate some or the CONSULTANT'S entire proposal. It is understood that the proposal will become a part of the official procurement file on this matter without obligation to the AGENCY.

2.11 CONTRACT AND GENERAL TERMS & CONDITIONS

Any apparent successful contractor will be expected to enter into a contract, which is substantially the same as the general terms and conditions described in **Exhibit C**. In no event is a CONSULTANT to submit its own standard contract terms and conditions in response to this solicitation. The CONSULTANT may submit exceptions as allowed in the Certifications and Assurances section, **Exhibit A** to this solicitation. The AGENCY will review requested exceptions and accept or reject the same at its sole discretion.

2.13 NO OBLIGATION TO CONTRACT

This RFQQ does not obligate the State of Washington or the AGENCY to contract for services specified herein.

The AGENCY reserves the right at its sole discretion to reject any and all proposals received without penalty and not to issue a contract as a result of this RFQQ.

2.15 COMMITMENT OF FUNDS

Statements of qualifications and quotations (proposals) must be submitted by e-mail to the RFQQ Coordinator at Patty.Dickason@rco.wa.gov. Proposals are due **October 30, 2017, by 5:00 p.m.** Local Time in Olympia. The contents of the proposal are to be submitted in the order noted below:

6. Submit full details of the terms for default including the other party's name, address, and phone number. Present the CONSULTANT'S position on the matter.

The AGENCY will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience. If no such termination for default has been experienced by the CONSULTANT in the past five years, so indicate.

3.3 QUOTATIONS SECTION

3.3.1 Identification of Costs (SCORED)

The quotations section must list all hourly rates for services anticipated under the proposed contract. The hourly rates are to represent fully weighted costs. This includes administrative costs, local travel costs, or any other applicable fees that would be charged under this contract.

CONSULTANTS are required to collect and pay Washington state sales tax, if applicable. The evaluation process is designed to award this procurement not necessarily to the CONSULTANT of least cost, but rather to the CONSULTANT whose proposal best meets

the requirements of this RFQQ. CONSULTANTS are encouraged, however, to submit proposals, which are consistent with state government efforts to conserve state resources.

4. EVALUATION AND CONTRACT AWARD

4.1 EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this solicitation and any addenda issued. References will be reviewed and considered when making final selections of proposals. The evaluation of proposals shall be accomplished by an evaluation team, to be designated by the AGENCY, which will determine the ranking of the proposals.

AGENCY, at its sole discretion, may elect to select the top-scoring firms as finalists for a verbal presentation.

4.2 CLARIFICATION OF PROPOSAL

The RFQQ Coordinator may contact the CONSULTANT for clarification of any portion of the CONSULTANT'S proposal.

4.3 EVALUATION SCORING

The following points will be assigned to the proposal for evaluation purposes:

Qualifications Section:

Experience	45 points
Schedule	10 points
Quotation	20 points
<hr/>	
TOTAL	100 POINTS

4.4 VERBAL PRESENTATIONS MAY BE REQUIRED

Verbal presentations, if considered necessary by the AGENCY, may be utilized in selecting the winning proposal(s). The AGENCY, at its sole discretion, may elect to select the top-scoring CONSULTANT(S) from the written evaluation for a verbal presentation and contact the top-scoring CONSULTANT(S) to schedule a date, time and location for an oral presentation. Commitments made by the CONSULTANT at the verbal interview, if any, will be considered binding. The verbal presentation shall determine the apparently successful bidder.

4.5 NOTIFICATION TO PROPOSERS

Firms whose proposals have not been selected for further negotiation or award will be notified via phone or e-mail.

4.6 DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Upon request, a debriefing conference will be scheduled with an unsuccessful Proposer. The request for a debriefing conference must be received by the RFQQ Coordinator within three (3) business days after the Notification of Unsuccessful Consultant is e-mailed to the CONSULTANT. The debriefing must be held within three (3) business days of the request.

Discussion will be limited to a critique of the requesting CONSULTANT'S proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

4.7 PROTEST PROCEDURE

This procedure is available to CONSULTANTS who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the CONSULTANT is allowed three (3) business days to file a protest of the acquisition with the RFQQ Coordinator. Protests may be submitted by email, but should be followed by the original document.

CONSULTANTS protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to CONSULTANTS under this procurement.

All protests must be in writing and signed by the protesting party or an authorized agent. The protest must state the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the RFQQ Coordinator.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator;
- Errors in computing the score;
- Non-compliance with procedures described in the procurement document or AGENCY policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) AGENCY'S assessment of its own and/or other agencies needs or requirements.

Upon receipt of a protest, a protest review will be held by the AGENCY. The AGENCY director or an employee delegated by the Director who was not involved in the procurement will consider the record and all available facts and issue a decision within five business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another CONSULTANT, which submitted a proposal, such CONSULTANT will be given an opportunity to submit its views and any relevant information on the protest to the RFQQ Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the AGENCY's action; or
- Find only technical or harmless errors in the AGENCY's acquisition process and determine the AGENCY to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide the AGENCY options which may include:
 - Correct the errors and re-evaluate all proposals, and/or

- Reissue the solicitation document and begin a new process, or
- Make other findings and determine other courses of action as appropriate.

If the AGENCY determines that the protest is without merit, the AGENCY will enter into a contract with the apparently successful contractor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

PURPOSE

The purpose of this project is for the CONTRACTOR to serve on the Salmon Recovery Funding Board's (SRFB) Review Panel to provide technical assistance to the SRFB, local lead entities, and project applicants in the development of their salmon habitat project lists submitted to the SRFB for funding. The panel will be available to meet with lead entities and project applicants to learn about salmon protection and restoration projects and provide applicants feedback on the technical merits of their project. The goal is to identify any deficiencies that would likely be of concern at the final project review stage. After the final review and evaluation of the projects, the panel will identify any projects they believe have low benefit to salmon, a low likelihood of being successful, and/or have costs that outweigh the anticipated benefits of the project. The panel may also identify projects they believe to be "noteworthy" and the reason(s) why. To assist the SRFB and AGENCY with amendment decisions, panel members may also review amendment requests for technical merit. Individual panel members may be called upon for technical consultation and advice with active or completed projects. Individual panel members might also be called upon for training AGENCY staff in their areas of expertise.

SCOPE OF WORK

The CONTRACTOR will provide services, and otherwise do all things necessary for, or incidental to, the performance of work, as set forth below:

As a member of the review panel, contingent on SRFB direction, the CONTRACTOR will be expected to:

- Read and understand salmon recovery plans and strategies written by lead entities or regions.
- Read and understand the Recreation and Conservation Office Manual 18 Salmon

Recovery Grants, including Review Panel evaluation criteria.

- Provide technical assistance to local lead entities in development of their salmon habitat project lists.
- Meet with lead entities and project applicants around the state to learn about salmon protection, restoration and planning projects, and provide applicants the opportunity to correct project deficiencies that otherwise would likely be of concern.
- Read, review and evaluate up to 250 salmon recovery grant applications in an annual grant cycle using the RCO project database, PRISM, and Sharepoint software.
- Evaluate projects for the benefit to salmon, likelihood of being successful, and/or those having costs that may outweigh the anticipated benefits of the project, and provide a written comment form for each project.
- Attend and participate in several annual project review meetings in Olympia, WA.
- Understand the correlation between lead entities project lists and salmon recovery plans or habitat strategies.
- Review and comment on local and/or regional technical review and evaluation processes and how they lead to project lists.
- Review and comment on project identification and review processes used within salmon recovery regions, associated relationships between development and use of multi-year implementation plans and/or habitat work schedules, and project lists.
- Prepare observations and recommendations to the SRFB on SRFB policies and project selection.
- Attend and participate in some SRFB meetings, as requested. The SRFB meets four times per year.
- Provide comments and a written summary on what worked, what did not work, and recommend changes for the next grant cycle.
- Review project designs and project scopes and prepare written comments as requested by SRFB staff.

In the event this contract is terminated as provided above, the AGENCY shall be entitled to pursue the same remedies against the CONTRACTOR as it could pursue in the event of a breach of the contract by the CONTRACTOR. The rights and remedies of the AGENCY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law. The existence of facts upon which the AGENT makes any determination under this clause shall be an issue and may be reviewed as provided in the "Disputes" clause of this contract.

COPYRIGHT PROVISIONS

Unless otherwise provided, all materials produced under this contract shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by the AGENCY. The AGENCY shall be considered the author of such materials. In the event the materials are not considered "works for hire" under the U.S. Copyright laws, CONTRACTOR hereby irrevocably assigns all right, title, and interest in materials, including all intellectual property rights, to the AGENCY effective from the moment of creation of such materials.

Materials means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. Ownership includes the right to copyright, patent, register and the ability to transfer these rights.

For materials that are delivered under the contract, but that incorporate pre-existing materials not produced under the contract, CONTRACTOR hereby grants to the AGENCY a nonexclusive, royalty-free, irrevocable license (with rights to sublicense others) in such materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The CONTRACTOR warrants and represents that CONTRACTOR has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to the AGENCY.

The CONTRACTOR shall exert all reasonable effort to advise the AGENCY, at the time of delivery of materials furnished under this contract, of all known or potential invasions of privacy contained therein and of any portion of such document that was not produced in the performance of this contract.

The AGENCY shall receive prompt written notice of each notice or claim of infringement received by the CONTRACTOR with respect to any data delivered under this contract. The AGENCY shall have the right to modify or remove any restrictive markings placed upon the data by the CONTRACTOR.

COVENANT AGAINST CONTINGENT FEES

The AGENCY shall have the right, in the event of breach of this clause by the CONTRACTOR, to annul this contract without liability or, in its discretion, to deduct from the contract price or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fee.

DEBARMENT AND CERTIFICATION

By signing the Agreement with AGENCY, the sponsor certifies that neither it nor its principals nor any other lower tier participant are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by Washington State Labor and Industries. Further, the sponsor agrees not to enter into any arrangements or contracts related to this Agreement with any party that is on the "Contractors not Allowed to Bid on Public Works Projects" list.

DISALLOWED COSTS

The Contractor is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its Subcontractors.

DISPUTES

Except as otherwise provided in this contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with AGENT.

1. The request for a dispute hearing must:
 - Be in writing;
 - State the disputed issue(s);
 - State the relative positions of the parties;
 - State the CONTRACTOR'S name, address, and contract number; and
 - Be mailed to the AGENT and the other party's (respondent's) contract manager within 3 working calendar days after the parties agree that they cannot resolve the dispute.
2. The respondent shall send a written answer to the requester's statement to both the agent and the requester within 5 working calendar days.
3. The AGENT shall review the written statements and reply in writing to both parties within 10 working days. The AGENT may extend this period if necessary by notifying the parties.
4. The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this contract shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution method in addition to the dispute resolution procedure outlined above.

DUPLICATE PAYMENT

The AGENCY shall not pay the CONTRACTOR, if the CONTRACTOR has charged or will charge the State of Washington or any other party under any other contract or agreement, for the same services or expenses.

GOVERNING LAW

This contract shall be construed and interpreted in accordance with the laws of the State of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

INDEMNIFICATION

The CONTRACTOR shall defend, indemnify, and hold the STATE and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence of, or the breach of any obligation under this AGREEMENT by, the CONTRACTOR or the CONTRACTOR'S agents, employees, sub consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONTRACTOR may be legally liable.

Provided that nothing herein shall require a CONTRACTOR to defend or indemnify the STATE against and hold harmless the STATE from claims, demands or suits based solely upon the negligence of, or breach of any obligation under this AGREEMENT by the STATE, its agents, officers, employees, sub consultants, subcontractors or vendors, of any tier, or any other persons for whom the STATE may be legally liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the CONTRACTOR or the CONTRACTOR'S agents, employees, sub consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONTRACTOR is legally liable, and (b) the STATE, its agents, officers, employees, sub consultants, subcontractors and or vendors, of any tier, or any other persons for whom the STATE may be legally liable, the indemnity obligation shall be valid and enforceable only to the extent of the CONTRACTOR'S negligence or the negligence of the CONTRACTOR'S agents, employees, sub consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONTRACTOR may be legally liable.

This provision shall be included in any agreement between CONTRACTOR and any sub consultant, subcontractor and vendor, of any tier.

The CONTRACTOR shall also defend, indemnify, and hold the STATE and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the CONTRACTOR or the CONTRACTOR'S agents, employees, sub consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONTRACTOR may be legally liable, in performance of the Work under this AGREEMENT or arising out of any use in connection with the AGREEMENT of methods, processes, designs, information or other items furnished or communicated to STATE, its agents, officers and employees pursuant to the AGREEMENT; provided that this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from STATE's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to STATE, its agents, officers and employees by the CONTRACTOR, its agents, employees, sub consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONTRACTOR may be legally liable.

The CONTRACTOR specifically assumes potential liability for actions brought by the CONTRACTOR'S own employees or its agents against the STATE and, solely for the purpose of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the state industrial insurance law, Title 51 RCW.

The AGENCY is included within the term STATE, as are all other agencies, departments, boards, or other entities of state government.

This provision was the result of mutual negotiation between the parties.

INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent contractor relationship will be created by this contract. The CONTRACTOR and his or her employees or agents performing under this contract are not employees or agents of the AGENCY. The CONTRACTOR will not hold himself/herself out as or claim to be an officer or employee of the AGENCY or of the State of Washington by reason hereof, nor will the CONTRACTOR make any claim of right, privilege or benefit that would accrue to such employee under law. Conduct and control of the work will be solely with the CONTRACTOR.

INDUSTRIAL INSURANCE COVERAGE

The CONTRACTOR shall comply with the provisions of Title 51 RCW, Industrial Insurance. If the CONTRACTOR fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees, as may be required by law, AGENCY may collect from the CONTRACTOR the full amount payable to the Industrial Insurance accident fund. The AGENCY may deduct the amount owed by the CONTRACTOR to the accident fund from the amount payable to the CONTRACTOR by the AGENCY under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the CONTRACTOR.

LICENSING, ACCREDITATION AND REGISTRATION

The CONTRACTOR shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary for the performance of this contract.

LIMITATION OF AUTHORITY

Only the AGENT or AGENT'S delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this contract is not effective or binding unless made in writing and signed by the AGENT.

NON-AVAILABILITY OF FUNDS

The obligation of the AGENCY to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to AGENCY for expenditure for this Agreement in any biennial fiscal period,

AGENCY shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If AGENCY participation is suspended under this section for a continuous period of one year, AGENCY's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the sponsor.

NON-COMPLIANCE WITH NONDISCRIMINATION LAWS

In the event of the CONTRACTOR'S non-compliance or refusal to comply with any nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled or terminated in whole or in part, and the CONTRACTOR may be declared ineligible for further contracts with the AGENCY. The CONTRACTOR shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

NON-DISCRIMINATION

During the performance of this contract, the CONTRACTOR shall comply with all federal and state nondiscrimination laws, regulations and policies.

PRIVACY

Personal information including, but not limited to, "Protected Health Information," collected, used, or acquired in connection with this contract shall be protected against unauthorized use, disclosure, modification or loss. CONTRACTOR shall ensure its directors, officers, employees, subcontractors or agents use personal information solely for the purposes of accomplishing the services set forth herein. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the AGENCY or as otherwise required by law.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. The CONTRACTOR agrees to indemnify and hold harmless the AGENCY for any damages related to the CONTRACTOR'S unauthorized use of personal information.

PUBLICITY

The CONTRACTOR agrees to submit to the AGENCY all advertising and publicity matters relating to this contract wherein the AGENCY'S name is mentioned or language used from which the connection of the AGENCY'S name may, in the AGENCY'S judgment, be inferred or implied. The CONTRACTOR agrees not to publish or use such advertising and publicity matters without the prior written consent of the AGENCY.

RECORDS MAINTENANCE

The CONTRACTOR shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract.

CONTRACTOR shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by the AGENCY, personnel duly authorized by the AGENCY, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

REGISTRATION WITH DEPARTMENT OF REVENUE

The CONTRACTOR shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this contract.

RIGHT OF INSPECTION

The CONTRACTOR shall provide right of access to its facilities to the AGENCY, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable

times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this contract.

SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, the AGENCY may terminate the contract under the "Termination for Convenience" clause, without the ten-day notice requirement, subject to renegotiation at the AGENCY'S discretion under those new funding limitations and conditions.

SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

SITE SECURITY

While on AGENCY premises, CONTRACTOR, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

SUBCONTRACTING

Neither the CONTRACTOR nor any SUBCONTRACTOR shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of the AGENCY. In no event shall the existence of the subcontract operate to release or reduce the liability of the contractor to the Department for any breach in the performance of the contractor's duties. This clause does not include contracts of employment between the contractor and personnel assigned to work under this contract.

Additionally, the CONTRACTOR is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the AGENCY or as provided by law.

SUSPENSION

The obligation of the AGENCY to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium AGENCY reserves the right to suspend the agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all work related to the contract must cease until such time funds are obligated to AGENCY and the AGENCY provides notice to continue work.

TAXES

All payments accrued because of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the CONTRACTOR or its staff shall be the sole responsibility of the CONTRACTOR.

TERMINATION FOR CAUSE

In the event the AGENCY determines the CONTRACTOR has failed to comply with the conditions of this contract in a timely manner, the AGENCY has the right to suspend or terminate this contract. Before suspending or terminating the contract, the AGENCY shall notify the CONTRACTOR in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the CONTRACTOR shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

The AGENCY reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the CONTRACTOR from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the CONTRACTOR or a decision by the AGENCY to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined

that the CONTRACTOR: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of the AGENCY provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

TERMINATION FOR CONVENIENCE

Except as otherwise provided in this contract, the AGENCY may, by 10 calendar days written notice, beginning on the second day after the mailing, terminate this contract, in whole or in part. If this contract is so terminated, the AGENCY shall be liable only for payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination.

TERMINATION PROCEDURES

Upon termination of this contract, the AGENCY, in addition to any other rights provided in this contract, may require the CONTRACTOR to deliver to the AGENCY any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The AGENCY shall pay to the CONTRACTOR the agreed upon price, if separately stated, for completed work and services accepted by the AGENCY, and the amount agreed upon by the CONTRACTOR and the AGENCY for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by the AGENCY, and (iv) the protection and preservation of property, unless the termination is for default, in which case the AGENT shall determine the extent of the liability of the AGENCY. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The AGENCY may withhold from any amounts due the CONTRACTOR such sum as the AGENT determines to be necessary to protect the AGENCY against potential loss or liability.

The rights and remedies of the AGENCY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the AGENT, the CONTRACTOR shall:

1. Stop work under the contract on the date, and to the extent specified, in the notice;
2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
3. Assign to the AGENCY, in the manner, at the times, and to the extent directed by the AGENT, all of the rights, title, and interest of the CONTRACTOR under the orders and subcontracts so terminated, in which case the AGENCY has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the AGENT to the extent AGENT may require, which approval or ratification shall be final for all the purposes of this clause;
5. Transfer title to the AGENCY and deliver in the manner, at the times, and to the extent directed by the AGENT any property which, if the contract had been completed, would have been required to be furnished to the AGENCY;
6. Complete performance of such part of the work as shall not have been terminated by the AGENT; and
7. Take such action as may be necessary, or as the AGENT may direct, for the protection and preservation of the property related to this contract, which is in the possession of the CONTRACTOR and in which the AGENCY has or may acquire an interest.

TREATMENT OF ASSETS

A. Title to all property furnished by the AGENCY shall remain in the AGENCY. Title to all property furnished by the CONTRACTOR, for the cost of which the CONTRACTOR is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in the AGENCY upon delivery of such property by the CONTRACTOR. Title to other property, the cost of which is reimbursable to the CONTRACTOR under this contract, shall pass to and vest in the AGENCY upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by the AGENCY in whole or in part, whichever first occurs.

B. Any property of the AGENCY furnished to the CONTRACTOR shall, unless otherwise provided herein or approved by the AGENCY, be used only for the performance of this contract.

C. The CONTRACTOR shall be responsible for any loss or damage to property of the AGENCY that results from the negligence of the CONTRACTOR or which results from the failure on the part of the CONTRACTOR to maintain and administer that property in accordance with sound management practices.

D. If any AGENCY property is lost, destroyed or damaged, the CONTRACTOR shall immediately notify the AGENCY and shall take all reasonable steps to protect the property from further damage.

E. The CONTRACTOR shall surrender to the AGENCY all property of the AGENCY prior to settlement upon completion, termination or cancellation of this contract

F. All reference to the CONTRACTOR under this clause shall also include CONTRACTOR'S employees, agents or SUBCONTRACTORS.

U.S. DEPARTMENT OF TREASURY, OFFICE OF FOREIGN ASSETS CONTROL

The AGENCY complies with U.S. Department of the Treasury, Office of Foreign Assets Control (OFAC) payment rules. OFAC prohibits financial transactions with individuals or organizations, which have been placed on the OFAC Specially Designated Nationals (SDN) and Blocked Persons sanctions list located at <http://www.treas.gov/offices/enforcement/ofac/index.html>. Prior to making payment to individuals or organizations, the AGENCY will download the current OFAC SDN file and compare it to AGENCY and statewide vendor files. In the event of a positive match, the AGENCY reserves the right to: (1) make a determination of "reasonability" before taking the positive match to a higher authority, (2) seek assistance from the Washington State Office of the State Treasurer (OST) for advanced assistance in resolving the positive match, (3) comply with an OFAC investigation, if required, and/or (4) if the positive match is substantiated, notify the contractor in writing and terminate the contract according to the Termination for Convenience provision without making payment. The AGENCY will not be liable for any late payment fees or missed discounts that are the result of time required to address the issue of an OFAC match.
