TO: SRFB Members and Designees

FROM: Laura E. Johnson, Director ✓

PREPARED BY: Rollie Geppert, SRFB Section Manager and Steve Leider, Review Panel Leader

SUBJECT: 2006 (7th) Round – SRFB Review Panel

A Review Panel has been recruited for the 2006 SRFB 7th round grant cycle based on the willingness of seven of the nine members that served on the SRFB's 2005 Review Panel. Existing contracts with each person will be used to continue their services in this grant cycle.

Although the exact professional services of the panel have not been fully determined it is expected that their services will fall into one or more of the following categories:

- Field visits and oversight: late June to Sep. 1
- Review of projects for projects of concern: Oct. 2-13, and 16
- Panel-Regional presentations: Oct. 16-20
- Review Panel and SRFB staff preparation of draft report: Oct. 24-31
- Review Panel and SRFB staff prepare a final report: Nov. 13-17

The estimated cost for the panel is based on the following assumptions:

- Approximately 172 projects will be submitted on September 11
- Approximately 62 projects will be funded
- All eight regions will request oversight and project review services of the panel

The estimated cost for the panel will range from \$122,000 to \$156,000.
