 Yakima

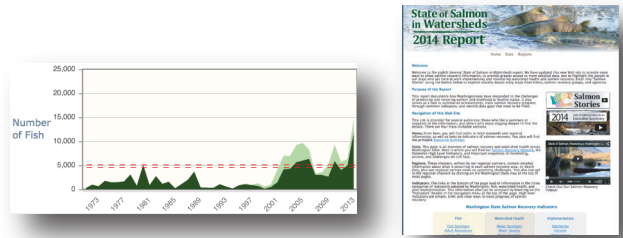

# Data Resources

State of Salmon Report  
[stateofsalmon.wa.gov](http://stateofsalmon.wa.gov)

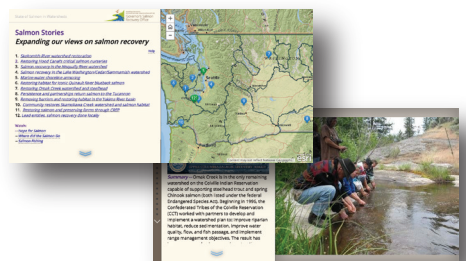

A Web site that displays live salmon data across Washington. You can read about habitat restoration projects, see how many fish there are, where fish are caught, how well hatcheries meet standards, and some of the challenges to salmon recovery

Salmon Stories  
[stateofsalmon.wa.gov](http://stateofsalmon.wa.gov)

A self-guided tour of salmon recovery throughout the state

Habitat Work Schedule  
[hws.ekosystem.us](http://hws.ekosystem.us)

A directory of salmon recovery projects with a map-based navigation system
