No Child Left Inside Grants Awarded 2019

Benton County

Grants Awarded: \$25,000

Benton City Helping Youth Kayak, Hike, and Standup Paddle

Grant Awarded: \$25,000

Benton City will use this grant to provide 472 local youth, ages 10-19, with eight three-outing kayak sessions, eight three-outing standup paddle board sessions and 14 three-outing hiking sessions. Water activities will start from Sportsman Park, paddling on the Yakima River. Hikers will be bussed to three nearby publicly owned trails. The city will buy kayaks, paddleboards, paddles, life vests, and a trailer. The project will also include transportation, and hiring qualified leaders and program assistants. The project will promote healthy lifestyles, outdoor safety, positive social relationships, and lifelong recreational skills. This program is the only non-sports-team outdoor programming in Benton City, where 64 percent of the Kiona-Benton School District's 1,500 students are eligible for free-and-reduced lunch, and 17.9 percent of families with children under the age of 18 live in poverty. The City will contribute \$18,030 in cash and donations of materials. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). (19-1123)

Clark County

Grants Awarded: \$15,100

Lifeline Connections Enhancing Outdoor Education at Camp Mariposa

Grant Awarded: \$15,100

Lifeline Connections will use this grant to buy hiking boots, socks, digital cameras, water bottles, daypacks, hiking guidebooks, and transportation for kids ages 9-12 as part of six two-day weekends at the Lewis River Campground in Yacolt and Moulton Falls Regional Park. The weekend workshops will provide kids the knowledge, tools, and coping skills to prevent substance use disorder and encourage problem-solving, teamwork, and physical and mental health. Activities will include hiking, nature photography, and sleeping in rustic cabins. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). (19-1207)

No Child Left Inside Grants Awarded 2019

Cowlitz County

Grants Awarded: \$24,998

Youth and Family Link Program Helping Kids Explore the Outdoors

Grant Awarded: \$24,998

Youth and Family Link Program will use this grant to serve more than 600 underserved students in Longview, Kelso, and Cowlitz Counties as part of its Outdoor Explore project. The program uses combines outdoor recreation with lessons in science, technology, engineering, and math to help students develop new skills and a lifelong passion for outdoor activities. Students will spend an average of 16 hours per week in the summer and 4 hours per week in the school year doing activities like kayaking, orienteering, outdoor cooking, archery, swimming, canoeing, geocaching, fishing, and hiking. Youth and Family Link Program will contribute \$22,151 in a state grant and donations of cash. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). (19-1179)

Chelan County

Grants Awarded: \$4,200

Cascadia Conservation District Getting Kids in the Creek and Forest

Grant Awarded: \$4,200

Cascadia Conservation District will use this grant to help more than 300 10th-grade students and 1,500 8th-grade students connect with natural resource management professionals to study the health of local streams, collect samples, and better understand forest health and wildfire history. Following field trips with forest experts, students will use playdough to build their own forests, incorporate slope steepness, dry or wet soils, and dense or sparse tree stands. Working with instructors and a local fire department, the students will learn about wildfire risk and forest fires. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). (19-1071)

Grays Harbor

Grants Awarded: \$9,160

Ocean Shores Providing Fun Summer Opportunities for Ocean Shores Youth

Grant Awarded: \$9,160

The City of Ocean Shores will use this grant to buy tablets, backpacks, compasses, binoculars, safety vests, rain ponchos, magnifying glasses, field books, and other supplies to help 80 kids ages Kindergarten to 8th grade participate in outdoor programing. The educational three-week

No Child Left Inside Grants Awarded 2019

program will incorporate science, technology, engineering and math with outdoor recreation, community service, and cultural enrichment opportunities. With support from the Coastal Interpretive Center, the program will include four field trips to local beaches, Damon Point, a local hatchery, and the Quinault Rain Forest. The program will help youth gain leadership and socialization skills, inspire self-esteem, learn and provide an enriched outdoor experience. The City will contribute \$39,395 in cash, in-kind services, and donations of labor. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). (19-1181)

Jefferson County

Grants Awarded: \$49,980

Camp Beausite NW Helping Youth with Disabilities Experience Camp

Grant Awarded: \$25,000

Camp Beausite NW will use this grant to create six to eight overnight camps, each for 20 youth aged 6-19 with disabilities, at its camp in Chimacum. Camp Beausite NW's programs help youth with disabilities swim, beachcomb, ride horses, explore trails, visit Fort Worden and other parks, and go on field trips to learn about the Salish Sea, study the night sky, and watch wildlife. Camp participants will also do nature-based arts and crafts, make birdhouses, take part in scavenger hunts, and talent nights on the camp's outdoor stage. Campers also will be visited by Discovery Bay Wild Bird Rescue to learn about birds. The camp also will coordinate mini camps focusing on plants for birds, bees, and butterflies; astronomy; nature-based theatre, and the northwest marine environment. Camp Beausite NW will contribute \$16,000 in in-kind services and donations of equipment, labor, and materials. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). (19-1059)

Northwest Watershed Institute Fostering Environmental Stewardship in Olympic Peninsula Young Leaders

Grant Awarded: \$24,980

Northwest Watershed Institute will use this grant to help 20 underserved students from rural Olympic Peninsula spend at least 90 hours each serving as a youth crew leader for ten natural-resource groups in east Jefferson County. Teens will attend a weeklong, overnight leadership camp at Fort Flager State Park, where they'll explore marine, freshwater and forested environments with professional natural resource experts. At two new outdoor sites each day, students will hike in forests, wade streams, explore wetlands, dig for shellfish in tidelands, and paddle on a lake. During the school year, teens will earn high school graduation credits by serving as crew leaders on their mentors' projects. The Institute will contribute \$29,900 in in-kind services and donations of labor. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). (19-1301)

King County

Grants Awarded: \$446,970

King County Helping Kids Get Out and Learn

Grant Awarded: \$17,770

King County Parks' White Center Teen Program will use this grant to help 100 local youth participate in its Get out and Learn (GOAL) program between Fall 2019 and Summer 2021. The program includes outdoor education at the White Center Community Center and ten field trips to national, state, county, and city parks, where youth can hike, camp, bike, kayak, snowshoe, and watch wildlife. The program teaches youth about leadership, problem solving, teamwork, water safety, environmental awareness, and nutrition. The County will contribute \$20,000 in equipment, staff labor, materials, and in-kind services. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). Young Women Empowered Connecting Young Women to Nature

Grant Awarded: \$75,000

Young Women Empowered will use this grant to fund its Nature Connections program, which provides women ages 12-18 with outdoor recreation, environmental education, and stewardship activity programs. About 70 percent of Young Women Empowered participants are first- or second-generation immigrants and 85 percent are minorities. As part of Nature Connections, youth and mentors will learn about the natural world as they hike, rock climb, backpack, camp, snowshoe, kayak, garden, engage in hands-on stewardship, and more. Young Women Empowered provides expert guidance, safety, cultural respect, transportation, and meals for all activities. Young Women Empowered will contribute \$136,356 in private and local grants and donations of labor and materials. Visit RCO's online Project Snapshot for [more information and photographs of this project](#). (19-1135)

Greenplay Northwest Developing the Willow Project for Homeless Children

Grant Awarded: \$25,000

Greenplay Northwest will use this grant to develop and implement The Willow Project, a nature-based program for homeless children up to 6 years old and their caregivers. Mentors will meet with 60 children and their caregivers, who are living in shelters in southeast King County, once a week to facilitate outdoor activities such as nature immersion, sensory play, walking and wandering, guided nature art, and story and songs. The goal is to mitigate the harmful effects of negative childhood experiences by connecting homeless kids to the many benefits provided by spending time in nature. Peak 7 Adventures Expanding the Seattle Rock Climbing Program

Grant Awarded: \$4,200

Peak 7 Adventures will use this grant to fund expansion and continuation of the Seattle Rock Climbing program, providing guide services, gear, and trip scholarships to organizations serving low-income and marginalized youth in King County and the surrounding areas. Populations served include youth in treatment for addiction; in correction programs; who are homeless; who identify as lesbian, gay, bisexual, transgender, or questioning; who are refugees; and who are low-income. Most participants are 11 to 18 years old. Peak 7 Adventures teaches beginning climbing techniques, encouraging respect for the environment and emphasizing lessons from the activity that apply to daily life. The goal of the program is to break down barriers that prevent kids from getting outside by offering low-cost, high-quality outdoor climbing trips. The rock climbing trips provide an adventure experience that builds self-confidence, fosters community growth, and boosts mental and physical health through exercise and connection to nature. Peak 7 Adventure served 265 participants in 2018, and has served more than 1,700 since it started in 2010. Peak 7 Adventures will contribute \$9,826 in donations of cash and labor. Eastern Washington University Educating Cheney Youth about the Palouse Prairie Environment

Grant Awarded: \$24,982

Eastern Washington University will use this grant to engage about 700 4th-8th grade students in Cheney in outdoor education curriculum on native ecosystems as part of its Palouse Prairie Restoration and Education Program. The 2019-2020 academic year program will include field trips to Steptoe Butte State Park and Turnbull National Wildlife Refuge. Students will also grow native plants and contribute to a 150-acre Eastern Washington University Palouse prairie restoration site. The program develops students’ understandings of and appreciation for native ecosystems through hands-on outdoor activities. Most students in the Cheney community don’t receive outdoor environmental education in elementary and middle grades. Despite living near state and national parks, there are no outdoor field trips and many teachers haven’t worked with outdoor environmental curriculum. With 98 percent of Palouse prairie habitats transformed into farmland, it is critical to educate future generations on the importance of preserving native
