

# Appendix C: Application Checklist

Applicants must submit projects from the Salmon Recovery Portal (formerly the Habitat Work Schedule) to PRISM to start the application process. Once projects are in PRISM, applicants complete their online applications and attach required documents for their project types.

Starting in the 2020 grant round, the salmon project proposal will be integrated into the PRISM Online application. Sponsors who participate with lead entities with the earliest site visits may not have access to the project proposal questions in PRISM at the time of the application due date. If this is the case, contact the RCO grants manager or lead entity coordinator for support.

## Application Checklist

In PRISM Online, select “check page for errors” on each page, or “selection application for errors” on the “Submit Application” page to make sure all fields are complete.

✓ PRISM Online Attachment Checklist Items	Template / Form Link
<p><b>Project Cost Estimate.</b> RCO recommends using its template or similar format. Attach in PRISM and clearly label “Cost Estimate.” Include agency indirect in the estimate.</p>	<p><a href="#">Spreadsheet</a></p>
<p><b>Landowner Acknowledgement Form</b> is required for projects on land not owned by the applicant or on state-owned aquatic lands.</p>	<p><a href="#">Form</a></p>
<p><b>Project Partnership Contribution Form.</b> State agencies are required to have a local partner; also suggested for organizations other than the applicant (third party) providing match.</p>	<p><a href="#">Form.</a></p>
<p><b>Maps</b></p> <ul style="list-style-type: none"> <li>• General vicinity map for all projects</li> <li>• Area of Potential Effect Map for all projects (Refer to cultural resources review in Section 6 of <a href="#">Manual 18</a> for details and resources.)</li> <li>• Site plan for restoration projects</li> <li>• Parcel map for acquisition projects</li> </ul>	<p>Applicant Creates</p>
