NOTICE OF BID OPPORTUNITY

RCO RFQQ 2111

SALMON RECOVERY FUNDING BOARD TECHNICAL REVIEW PANEL

COMPETITIVE SOLICITATION POSTING: August 1, 2022

DEADLINE FOR SUBMITTING BIDS: September 30, 2022, 4:00 pm PST

ANTICIPATED CONTRACT PERIOD January 1, 2023 – December 31, 2025

DESCRIPTION: Recreation and Conservation Office (RCO), the administrative office for the Salmon Recovery Funding Board (SRFB), is seeking qualifications and quotations from experts in the field of salmon recovery and/or natural resources to create a diverse panel that will advise the SRFB on key elements and functions of the various SRFB grant cycles. The objective is to obtain general information and cost estimates from individuals having education, training and experience suitable for advising the SRFB on the selection of salmon habitat protection and restoration projects.

CONSULTANT ELIGIBILITY: This procurement is open to consultants in the fields of salmon recovery, natural resources management and science.

AVAILABILITY OF DOCUMENTS: The RFQQ, along with any amendments and results, will be available only through WEBS (Washington’s Electronic Business Solution). All bidders must be registered in WEBS. For information on how to register, go to the DES website.
