Boating Infrastructure Grant Project Summaries

Mason's Resort Replacing Moorage Floats

Grant Awarded: \$141,978

Mason's Resort will use this grant to replace a string of moorage floats for guest recreational boats. The floats on the B-Dock will be replaced with twenty-eight floats that are twenty feet long and six feet wide. Visit RCO's online Project Snapshot for [more information and photographs of project 21-1251](#). This grant is from the [Boating Infrastructure Grant program](#).
